

FAMILY REFERRAL PROGRAM

EARN UP TO ONE WEEK TUITION CREDIT

The greatest compliment we can receive is your referral. We're excited to introduce our Parent Referral Program, offering up to one week's tuition credit for each new family you refer to our school. To qualify, the referred family must enroll for at least three full days per week and remain enrolled for a minimum of 90 days.

Share the joy of learning with your family and friends—your support means the world to us!

WHAT DO I HAVE TO DO?

To begin the referral process, please provide the enrolling family's name and basic information to the center director. A completed referral form must be submitted prior to the referred family's first day of enrollment in order to be eligible for the tuition credit.

REFERRAL CREDIT POLICY

- Tuition credit will be applied to the referring family's account once the referred family has been enrolled for a minimum of 90 days.
- Credits will not be issued if either the referring or referred family has a past-due account.
- Credit will be applied to the tuition of one child only. For families with multiple children, the credit will be applied to the oldest enrolled child.
- If the referred family is enrolled part-time, the referring family will receive a credit equivalent to the number of days the new family attends. (Example: If the referred family attends three days per week, the referring family will receive a credit equal to the three-day tuition rate for their oldest child.)
